

Harry L. Dougherty Jr.  
D.D.S., M.S.

Effective immediately, our office will be closed for all non-emergency appointments. If an emergency happens to arise during this time, please call our office for further instruction at 818-986-6223.

The latest guidelines from the CDC and the City of Los Angeles asked us to reduce the spread of the COVID-19 virus through their "Safer at Home" initiative which, if we all implement, can make a huge difference in addressing the spread of the virus and getting our lives back to normal as quickly as possible.

The health and safety of our patients, staff, and community are of the highest importance to us. We will always do what we feel is right to protect them.

If you have an appointment in our office between now and May 1st, our office will be calling you prior to your appointment and rescheduling you to the next appointment available. Please be patient with us and allow us to call you to reschedule. This will help us to manage our appointments as reasonably as possible and best address everyone's needs.

We sincerely apologize for any inconvenience this may cause and appreciate your understanding. We look forward to resuming routine care and seeing our patients, colleagues, and referring providers as soon.

Thank you for your cooperation and continued support.
